

CORPORATE BROCHURE

2023

MISSION

To develop and represent the interests of electro-technical wholesalers and distributors in Europe.

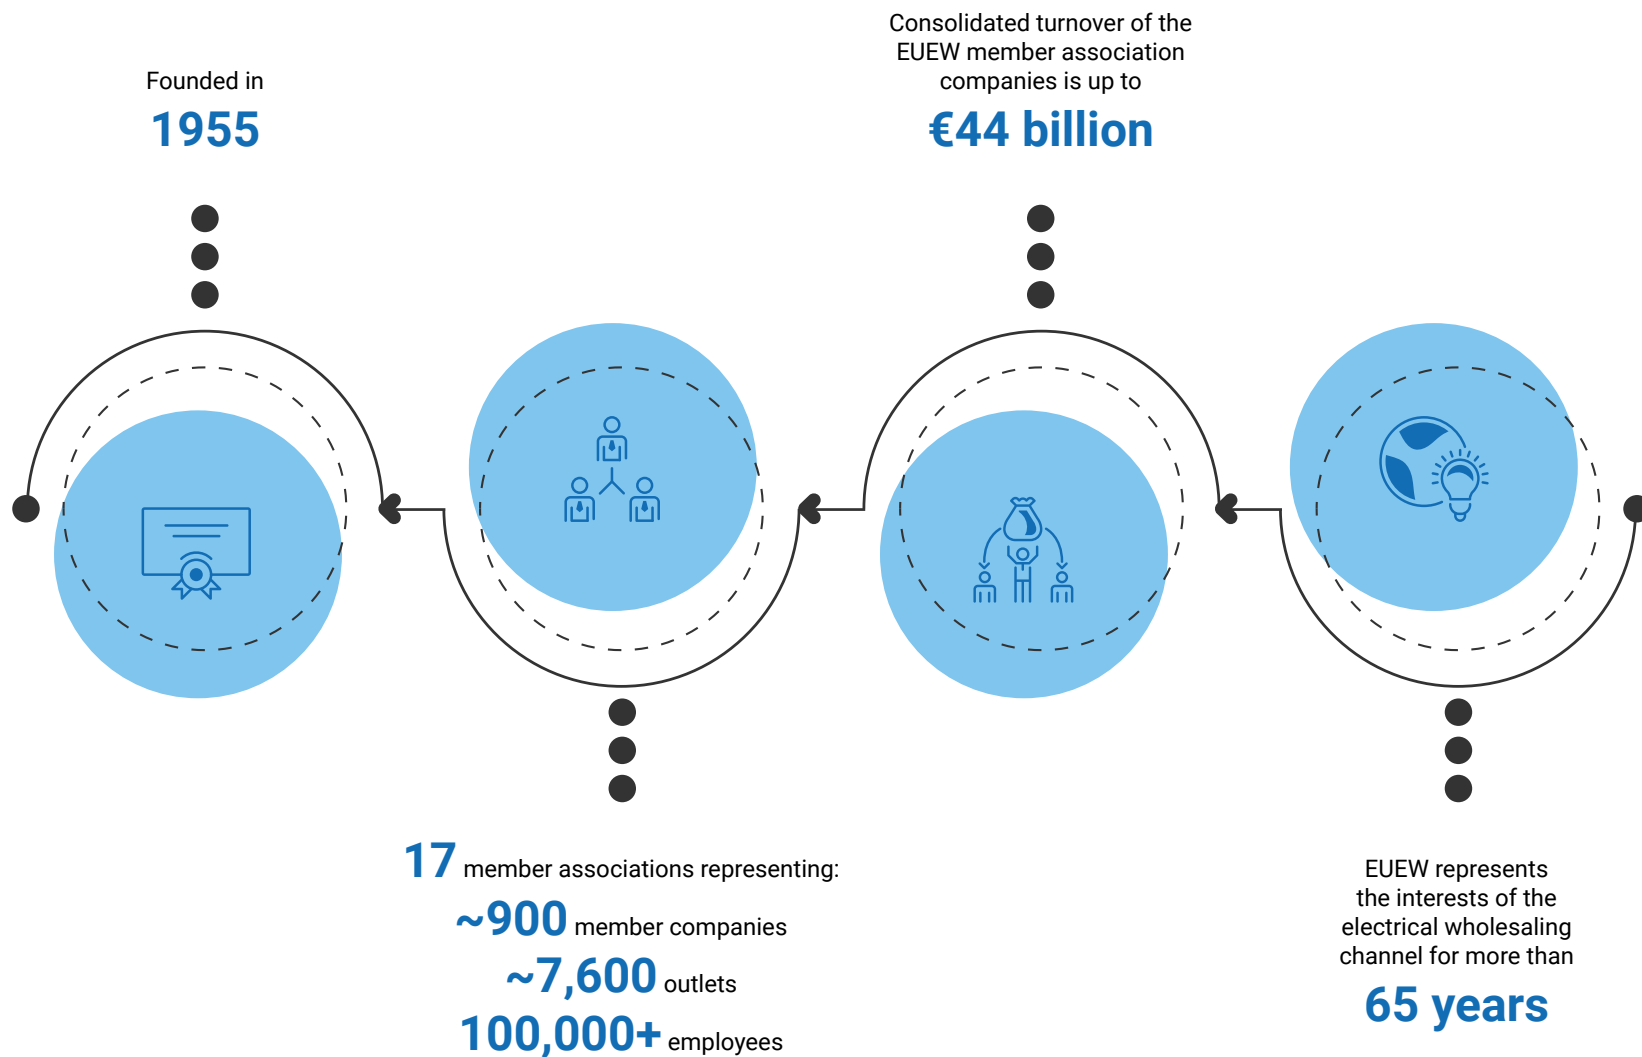

VISION

To be the voice of the electrical wholesaling national associations in Europe, striving to achieve together peoples' well-being through electricity

VALUES

The values of the EUEW are centered on ensuring continuous development and professionalism through open dialogue, permanent support and integrity.

EUEW BY NUMBERS

STRATEGIC PLAN 2019 - 2023

A comprehensive analysis of regulations for a clear strategic agenda for the EUEW.

A screening of external service providers for stronger capabilities related to statistics, legislation and lobbying.

A system for regular monitoring and reporting that improves quality and precision of statistics, trends and industry & business outlooks.

A platform for communication and knowledge-sharing such as position and opinion papers, conventions, innovation tours, workshops and cooperation.

Strong partnerships & networks with peer organizations and key stakeholders who could support EUEW's strategic agenda.
